Changing number of Milkings

Enter the number of milkings per day for this Group(s)

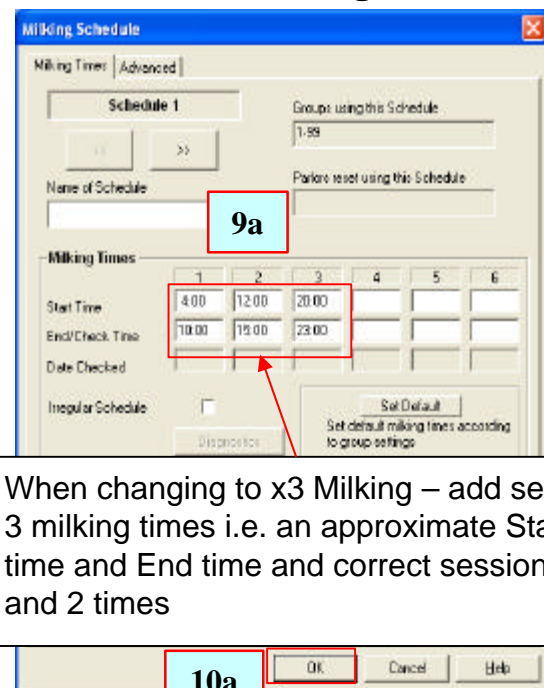

2x Milking

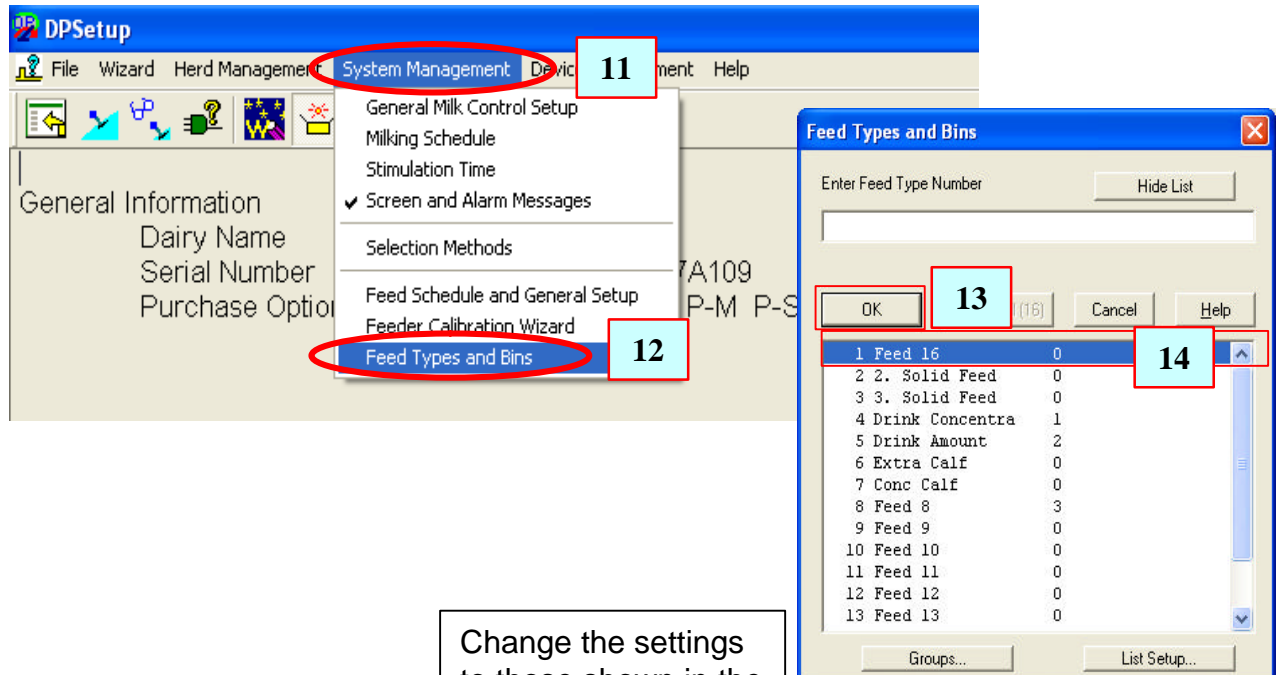

When changing back to x2 Milking – remove the session 3 milking times and correct the other session times

3x Milking

When changing to x3 Milking – add session 3 milking times i.e. an approximate Start time and End time and correct session 1 and 2 times

Changing number of Milkings - with Parlour Feeding

Change the settings to those shown in the red boxes below
